

Instructions:

This form should be completed by the operator of any vehicle that is used for a journey of more than 20 kilometres either from or to the Ausmite Bulkan North mine site where the journey is relevant to Bulkan North mining (or supporting) activities. The form will assist the operator in choosing appropriate resources for the journey. This form must also be completed by any vehicle operator when instructed to do so by Ausmite supervisory or management personnel.

The operator must ensure that appropriate and adequate resources have been obtained for the journey and stored correctly in the vehicle before departure.
